## 1 Response Rate Tracking

While your surveys are active (ie: The “Admin Period”) you can now track student completion rates for all of your course(s) on your MyCIS page. As of Spring 2020, this number will update **live**, and you can actually see progress in real time.

(Note: Students do not have to answer all questions or comment for a CIS to be marked “complete”)

## 2 Student Preview

To see a sample of the survey being sent to your students, simply click on this blue “eCIS” hyperlink, and...

## electronic Course Instructor Survey (eCIS)

### Taking a survey

Here's your chance to provide anonymous feedback that will impact a wide range of decisions at the University. Read through each step below and carefully consider your responses. If you have questions or are experiencing an error please send the CIS Team an e-mail at [ctl-cis@utlists.utexas.edu](mailto:ctl-cis@utlists.utexas.edu).

### 1. Check the class

Make sure you're filling out the survey for the right person. After you've reviewed the class information in the following table, click on the instructor's name to continue.

Instructor	Class Title	Course	Unique Number	Semester
<a href="#">Your Name (Click Here)</a>	INTRODUCTION TO [REDACTED]	M 302	52385	

...It should take you to a page that looks like this (left). This will be how your name appears on their CIS landing page.

Click on your name to see all of the questions being asked *exactly* as they appear to your students.
